**Soporte neumática.** Se cuelga sobre el espejo de popa, la proa o el costado de un bote. Es ajustable en altura y se adapta a casi cualquier barco. El accesorio se puede desmontar para almacenamiento y está diseñado para una instalación rápida. Se cuelga en correas de dos piezas desde la cabina. Dinghy Rings FLEX admite botes inflables de hasta 50 kilos y 2,8 metros. **Support leve tender.** Dinghy Rings FLEX est suspendu au-dessus du tableau arrière, de la proue ou du côté d'un bateau. Il est réglable en hauteur et convient à presque tous les bateaux. L'accessoire peut être démonté pour le stockage et est conçu pour une installation rapide. Il est suspendu par des lanières en deux parties à partir du balcon arrière. Dinghy Rings FLEX supporte les canots pneumatiques jusqu'à 50 kilos et 2,8 mètres. **David with handle for tenders.** Dinghy Rings FLEX is hung over the transom, bow or side of a boat. It's adjustable in height and fits almost any boat. The accessory can be taken apart for storage and is designed for fast installation. It hangs in two-piece straps from the pushpit. Dinghy Rings FLEX supports inflatable dinghies up to 50 kilos and 2.8 meters.
